LANDSCAPING SUPPLY

## UNILOCK PAVERS

For over fifty years, Unilock has been transforming ordinary outdoor spaces into beautiful places that bring friends, families, and communities together. With an extensive stock of pavers, walls, coping, kits and more, Wilson Landscape Supply and Unilock have been creating stunning landscapes for more than 25 years. Unilock is known for their quality, consistency and ease of installation, making it the perfect choice for your next project.

**FEATURED**

## ECO-PROMENADE®

The refined surface of Unilock EnduraColor products is achieved with a two step manufacturing process that combines a base of coarser aggregates for a stronger foundation, with concentrated color and wear-resistant finer aggregates on top. This process protects the surface from the appearance of fading over time because the top layer prevents large, lighter color aggregates from ever showing through.
